Roblox Matters

By: Statik and Stranger The Rearranger

Statik:

Yo Yo Yo, its Statik from the Attic

So theres this guy he thinks he's sly

His name is Alion25

My bars they straight outta Mars lookin up at the stars

I drive in luxury cars

unlike Alion hes really dumb for him its time to succumb

to the fact that he cant rap

its a real knee slap

Stranger:

Stranger The Rearranger here its time to make Alion shed some tears

he's very fat

its not cap

built like a discord mod

bro got no rizz cuz he smells like cod

Statik:

Alions so fat he covers the whole world

He got snow on his head

His only humor is thats what she said

hes got no life no parents no house

hes not quiet like a mouse

unlike me and Stranger

Stranger:

Mic drop cuz...
